Исх. №778 от 27.03.2018

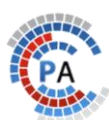

на №

**Dear Mr.Ulanov!**

Russian subsidiary of the international management system certification body DQS GmbH confirms the successful passing of the re-certification audit of the quality management system of PJSC FRITEX for compliance with the requirements of IATF 16949:2016, ISO 9001:2015. The audit team gave a positive evaluation of the company's quality management system. The audit report was sent to the head office in Germany - DQS GmbH and approval is expected in the near future. The conformity certificates will be sent to the company after its registration in DQS GmbH.

**Sincerely,  
General Director**

**Mikhail Zalunaev**
